**2. DUTIES/RESPONSIBILITIES OF CONTRACTOR**

CONTRACTOR agrees to provide the following services:

- A. Conduct group and individual sex offender treatment at CONTRACTORS office location, for offenders referred from and under the supervision of the Billings Probation and Parole (P&P) Office. CONTRACTOR will use a combination of skills and techniques from cognitive behavioral systems, individual, physiological, and psychodynamic therapies to include but not be limited to cognitive restructuring, counter-conditioning procedures, victim empathy enhancement, relapse prevention, and skills training (e.g. parenting, assertiveness and communication, problem solving, stress management, anger management, and conflict resolution). Contractor will provide, at a minimum, one weekly treatment group and one individual session every other week for offenders. Contractor has six (6) available groups per week to cover various treatment issues. Offender participation in the weekly group may vary and will be dependent upon individual needs and therapist recommendations.
- B. Conduct Psychosexual Evaluations as requested by referring P&P staff. DEPARTMENT and CONTRACTOR expect offenders to be financially accountable for their own treatment costs unless exigent circumstances or indigence exist. Evaluations will only be paid by the DEPARTMENT if the offender meets one or more of the following criteria:
  - 1. Offender has been released from prison and no previous evaluation has been conducted.
  - 2. Offender has been convicted of Failure to Register as a Sexual Offender under 46-23-507, MCA.
  - 3. Offender committed a sexual offense that was pled down to a lesser crime and an evaluation was never ordered by the Court.
  - 4. Offender is required to participate in an evaluation as a result of an Intervention Hearing.
  - 5. An evaluation is in the best interest of the state due to safety concerns regarding the offender.
- C. Conduct sex offender risk assessments, risk assessments with Abel, or Abel with report, as requested by referring P&P staff or as mutually agreed. Risk assessments must be conducted using a validated static or validated dynamic measurement.
- D. Inform all referred offenders of treatment program requirements, procedures, and contract stipulations. Require that all referred offenders sign a release of information and informed

consent to allow limited confidentiality and an emphasis on community safety. Monitor each offender's progress to ensure they participate in all phases of treatment as appropriate or required, including an aftercare component which may last the duration of supervision. For offenders discharged from treatment during community supervision, CONTRACTOR will conduct annual reviews on high risk offenders and at least one follow-up review on moderate to low risk offenders. Results of these reviews will be shared with the Billings P&P Sex Offender Specialist.

- E. At a minimum, participate in staffing on a monthly basis, or as mutually agreed, with the Billings P&P Sex Offender Specialist and provide regular summary reports and prompt incident reports as requested or required.
- F. With the assistance of the Billings P&P Sex Offender Specialists, arrange for initial, maintenance, and specific issue polygraph testing of offenders when necessary, to augment the treatment process and enhance community safety.
- G. Report offender delinquent financial status to DEPARTMENT on a quarterly basis, or upon request, which identifies all unpaid sex offender treatment services per offender and date of service.
- H. Maintain good standing as a Clinical Member of the Montana Sex Offender Treatment Association (MSOTA).

DEPARTMENT will follow P&P 150-4, Treatment Funds for Offenders, when requesting utilization and approval of treatment funds. DEPARTMENT will reimburse CONTRACTOR based upon treatment fund approval for specific offenders, offender need, and available funding.
- D. DEPARTMENT may withhold payments to CONTRACTOR if CONTRACTOR has not performed in accordance with the terms of this Contract.

- E. The Contract number must be referenced on all invoices and correspondence pertaining to this Contract.

**4. AGENCY ASSISTANCE**

To the extent possible, CONTRACTOR shall use its own facilities and equipment in providing the services set forth in Section 2. **13. ASSIGNMENT, TRANSFER AND SUBCONTRACTING**

CONTRACTOR shall not assign, sell, transfer, subcontract or sublet rights, or delegate duties under this Contract, in whole or in part, without the prior written approval of DEPARTMENT. No such written approval shall relieve CONTRACTOR of any obligation of this Contract and any transferee or subcontractor shall be considered the agent of CONTRACTOR.
